

Wisper 300Nm Motor

L1	600mm
L2	585mm

One of the most versatile motors offered by IRSD, the 300Nm motor can be fitted with optional 16G and 5" adapters, making it highly adaptable. It is also compatible with our 30mm brake, disc, and shafts, providing excellent flexibility for various applications. To ensure you select the most appropriate motor for your requirements, we recommend using our calculation tool.
